### CAREGiver of the Month- Sarah B

We are proud to announce Sarah B as our August CAREGiver of the Month! Sarah has been with Home Instead since December 2021. Before joining our team, Sarah had experience caring for family, including her Great Grandma and her Grandpa. She saw an ad online for a position with Home Instead and thought "I've done this". She also personally knows how it can feel when a loved one is not getting quality care, and she wanted to make sure people got the care they deserve. Sarah's fa-

vorite part about being a caregiving is listening to their stories, to her its like a snapshot of a time throughout history. In her free time you will most likely find Sarah floating down a river! If she's not doing that, you can find her outside or camping with her kids, Isaiah, Landon, Elijah, and Heaven. Sarah is our August CAREGiver of the Month due to her high standards of caregiving, her flexibility, and her incredible communication with the office. Thank you Sarah!

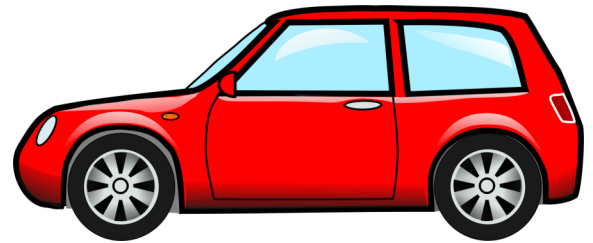

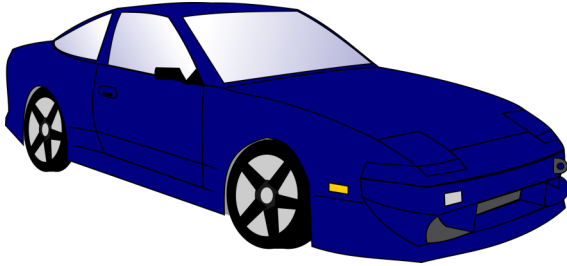

## Am I An Eligible Driver?

Let's review some Home Instead policies regarding driving during a shift.

To drive during a shift with or without the client, you must be an eligible driver. If you are not sure if you are an eligible driver, reach out to your HR representative and they will let you know. If you are an eligible driver, you can drive your car to do things such as errands and doctor appointments.

What if a client asks you to drive their car?  
**YOU MUST HAVE OFFICE APPROVAL TO DRIVE A CLIENT'S CAR.**
